City of South Fulton to Hold Grand Reopening of Fire Station 1

(CITY OF SOUTH FULTON, GEORGIA, November 1, 2019) The City of South Fulton Fire & Rescue Department, in partnership with District 3 Councilwoman Helen Z. Willis, will hold a Grand Reopening of Fire Station 1 on November 4, 2019 at 10 a.m.

The station, closed since October 2018, underwent renovations and much needed improvements. The enhancements were made with assistance from the Parker Young Construction company.

Renovations to the 6,056-square-foot site include the addition of a new bunk room, laundry and community rooms. The station also has new appliances, a raised garden and exterior LED lights.

“We are excited to have our station back in service,” said Fire Chief Freddie Broome. “In addition to improving response times in the community, the new addition of the community room will also improve our community engagement efforts.”

The grand reopening will be held in District 3 at Fire Station 1 at 5165 Welcome All Road South Fulton, GA 30349.

“Fire Station number 1 is near and dear to the community. The reopening of this station will be a joyous occasion for the Welcome All Community. This is yet another milestone for the City of Fulton Fire and Rescue Department, hats off to them for their hard work,” said Councilwoman Helen Z. Willis.
